

**The World's Best Roller Lifters...**  
**Featuring \*Patented "Needle-Free" Technology!**

**NEW!**

**EZ-HYDRO™**

The world's first "Needle-Free" High Performance Hydraulic Roller Lifters! Featuring a super-precise, reduced-travel controlled leak down/anti-pump design! Chevy big & small block V8 and LS-1 V8.

**NEW!**

**EZ-RIDERS™: "EVO"**

Extended reliability needle-free hydraulic roller lifters for Harley "Evolution" bikers! H.P. cam & valve spring compatible!

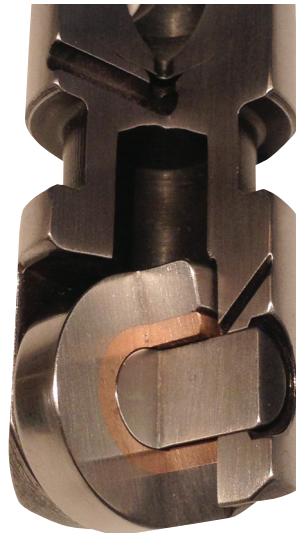

Photo: ISKY'S top of the line EZ-ROLL MAX™

**NEW!**

**EZ-JR™**

Just Roll™ with these new entry level EZ-ROLL™ mechanical roller lifters for small & big block chevy V8 engines! Genuine, patented EZ-ROLL™ technology from ISKY has never been more affordable! **STILL THE ONLY OIL-RESTRICTOR FRIENDLY LIFTERS IN THE INDUSTRY!**

**NEW!**

**EZ-RIDERS™: "TWIN"**

Life-extending reliable performance for Harley twin-cam enthusiasts! H.P. cam & valve spring compatability of course!

**Roll up to 5 times longer than needles with Triple Rolling Immunity™:**

World-class protection that shields against: ① Progressive Needle Bearing Friction due to needle erosion. ② Catastrophic Failure due to needle-bearing overload. ③ Bearing seizure due to oil restriction. The peace of mind this protection brings is made possible by these exclusive features;

• **ANTI-FLEX DEFENSE™:**

No slip fit axles retained by ring-clips or falling pins here! Instead, our compression fitted axles unify the body, legs and axle for a giant leap forward in structural integrity - far superior to any other design!

• **ANTI-LOCK BEARINGS™:**

Proprietary Epsilon-Zx™ Solid Bearing Raceways incorporate the latest advances in molecular science research and keep you rolling longer!

• **PATENTED VORTEX-WAVE™:**

High-efficiency, exterior port, hydro-dynamic oil delivery to roller bearings out performs any other system!

• **THE BIG FOOT EFFECT™:**

Expands your Load-Distribution Footprint™ by over 350% compared to needles! Yes, 350%!

• **ABSOLUTE 100% MADE IN THE U.S.A. GUARANTEED**

**\*With two U.S. patents, more coming and over 110,000 rolling world-wide, EZ-ROLL™ Lifters are "The Most Reliable Roller Lifters Ever Made"!**

**NEW!**

# EZ-ROLL JR™

## Entry Level Solid Rollers!

**JUST ROLL** with our newest member of the EZ-ROLL™ (PATENTED) solid-raceway roller bearing lifter family, the entry level EZ-ROLL JR™. Designed for Normally Aspirated Small & Big Block Chevy V8, this full body design accepts both 5/16" and 3/8" diameter pushrods and is targeted for use with up to 700 lbs. open valve spring pressure for street, drag, marine, oval track, etc....and they're oil-restrictor friendly too!

- Lifter Dia .8415"
- Bearing Diameter .750"
- Centered Pushrod Seat Location, Standard Pushrod Seat Height
- Extra-Tall Tie Bar Design Works with Both Standard & Raised Lifter Boss Blocks.

Part No.	Description	Jobber Price
372EZJR	Small Block Chevy V8	\$ 820.00
376EZJR	Big Block Chevy V8	\$ 820.00

**STOMP-OUT NEEDLE OVERLOAD  
WITH  
THE BIGFOOT EFFECT™**

**ABSOLUTE  
100%  
MADE IN THE  
U.S.A.  
GUARANTEE**

**EZ-ROLL JR™ expands your load distribution footprint by over 350%!**

**NEW!**

# EZ-RIDERS™

## Hydraulic Rollers for Harley Motorcycles!

Super Reliable Hydraulic Roller Lifters with Life Extending EZ-ROLL™ Solid-Raceway Roller Bearings for Harley Davidson Evolution and Twin Cam Motors. **AVAILABLE NOW!!** No Needles = No Needle Bearing Overload = Longer Roller Life = Peace of Mind!

Part No.	Application	Description	Spring Pressures	Jobber Price
100EZR	Evolution	Standard Leak Down Body	up to 160# seat	\$ 310.00
200EZR	Evolution	Slow Leak Down Body	over 160# seat	\$ 320.00
300EZR	Twin Cam	Slow Leak Down Body	over 160# seat	\$ 480.00

**STOMP-OUT NEEDLE OVERLOAD  
WITH  
THE BIGFOOT EFFECT™**

**ABSOLUTE

MADE IN THE  
U.S.A.  
GUARANTEE**

**EZ-RIDERS™ expands your load distribution footprint by over 350%!**

**NEW!**

# EZ-ROLL HYDRO™

## H.P. Hydraulic Rollers!

The world's only needle-free hi-performance hydraulic roller lifters!

Now available by popular demand, HYDRO™ is the newest edition of the patented EZ ROLL™ lifter family, for Chevy Small Block, Big Block & LS-1 V8 Engines: silent running, trouble free H.P. reliable hydraulic rollers!

HYDRO™ features our ever popular "EZ" (EpsilonZX™) advanced solid raceway bushing rollers along with a special "reduced travel" hydraulic roller body to allow for the use of more aggressive hydraulic roller cam profiles and/or higher RPM.

HYDRO™ delivers peace of mind for hydraulic roller racers operating in the extreme loading environments these conditions create with the "extra insurance" of an EZ ROLL™ plane bearing, eliminating the possibility of needle bearing overload failures.

Part No.	Application	Pushrod Required	Max Spring Pressure/RPM	Jobber Net
2065-HYRT	Small Block Chevy V8 (normally aspirated only)	203-HG-.580" (7.200)	140/400# - 7000 RPM	\$ 915.00
2075-HYRT	Small Block Chevy V8	203-HG-.460" (7.320)	185/535# - 7500 RPM	\$1,040.00
2068-HYRT	LS-1 Chevy V8 (normally aspirated only)	203-HG-.180" (7.600)	140/400# - 7000 RPM	\$ 930.00
2078-HYRT	LS-1 Chevy V8	203-HG-.180" (7.600)	185/535# - 7500 RPM	\$1,080.00
3965-HYRT	Big Block Chevy V8 (normally aspirated only)	203-96-.650" (7.650 in.) (8.600 ex)	160/400# - 7000 RPM	\$ 915.00
3975-HYRT	Big Block Chevy V8	203-96-.500" (7.800 in.) (8.750 ex)	185/535# - 7500 RPM	\$1,055.00

**STOMP-OUT NEEDLE OVERLOAD  
WITH

# ISKY'S "HOT-ROD CONFIDENTIAL™" (Countdown to the truth)

**COMING  
SOON!**

A new fast-paced online cartoon series... Hot-Rod Confidential™ will be a fresh Anime-like rendition, but in the tradition of the original "ISKY-TOONS™" Classics from the 1970's and 80's. An entertaining way to learn the behind the scenes truth about all things high-performance where everything will be revealed.

Be sure to follow investigative reporter Cam Wisely @ [www.iskycams.com](http://www.iskycams.com) on his first assignment in the inaugural episode-1: "Midnite in the Garden of Needles," as he uncovers the facts about roller lifter failures and tracks down the bootlegging "copy cat-imitators."

All "Needle-Free" Roller Lifters are NOT created equal!

## Compare The Difference!

7 CRITICAL QUESTIONS	ISKY EZ-ROLL™ Lifters	COMP	CROWER	★Howard's ★The Herberts ★Clay Smith ★CV Products (TOP DOG)	★Bullett ★Lunati ★Erson ★Cam Motion
Are they Oil-Restrictor Friendly?	✓ YES (Anti-Lock Roller Bearing™ Technology)	NO	NO	NO (Customers are warned about the risk of bearing seizure)	
Are they Guaranteed 100% Made in the U.S.A.?	✓ YES Absolutely 100%!	?	?	? (Where are the components sourced?)	
Are they Repackaged? (Made by a 3rd Party)	✓ NO!	✓ NO	✓ NO	YES★ (These companies are merely distributors)	
Are they ORIGINAL Technology?	✓ YES U.S. Patents* #8,464,678 & #8,851,038	NO	NO	NO [Band wagon (late to the party) imitation products]	
Scientific Raceway Brg. or Common Bushing?	✓ Proprietary EPSILON-ZX™ Solid Bearing Technology	Common Bronze Bushing	Simple Copper Bushing	Hi Percentage ALUMINUM Bronze Bushing	
Unified Construction to Avoid Flexing?	✓ YES (Anti-Flex Defense™)	✓ YES	✓ YES	NO (Slip-fit axle with clips subject to flexing)	
Continuous Spintron® test-proven guarantee?	✓ YES (Over 7 yr. track record)	NO	NO	NO (Follow ISKY and hope it works)	
<b>BOX SCORE (7 MAX)</b>	<b>7/7!</b> A Perfect Score	<b>2/7</b>	<b>2/7</b>	<b>0/7</b> ★Repackaged lifters, all manufactured by the same 3rd party source	

\*Unprecedented in the history of Roller Lifter development, revolutionary EZ-ROLL™ Lifters are protected by U.S. Patents #8,464,678 and #8,851,038.

DO IT RIGHT... ROLL WITH THE LEGEND
